12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

This well was shut-in 12/1/88, due to a high water-oil ratio and/or low fluid production which makes it uneconomical to produce. It may be returned to active status as the waterflood progresses or as the economics improve.

I hereby certify that the information above is true and complete to the best of my knowledge and belief.
