Additional information:

Note: On May 27, 1940, we filed Request for Permission to Connect with Pipe Line covering our State of New Mexico "AB" No. 1 well, which was approved by Mr. Roy Yarbrough. We expect to produce this well into central tank battery at the above location along with production from our State of New Mexico "R" Wells Nos. 1, 2, 3, and 5, and authorization to centralize tank battery was received October 30, 1940, approved by Mr. A. Andreas.

Yours truly,

Permission is hereby granted to make pipe line connections requested above.
