Mr. E. Yarbrough  
Cole & Darden  
Midland, Texas

Dear Mr. Yarbrough:

I am enclosing Form 7-101, Notice of Intention to Drill, Phillips-state well #2, in sec. 30, T. 17-S., R. 14-E.

This well will be located in the Texas Field. Also, Cole & Darden should not be listed as Government Permittees.

I can not approve this casing program unless you will circulate casing fluid to surface. Also, if oil is found in paying quantities you will have to set sand string.

I also ask that you do not start operations until you comply with the rules and regulations of the Commission.

Very truly yours,

Oil Conservation Commission

Oil Gas Inspector
