Gentlemen:

The inclosed Notice of Intention to Drill shows the acreage to be held under lease B-1585, Assignment 1. However, it appears that this lease does not contain the SE $\frac{1}{4}$ of Section 12, Township 21 South, Range 35 East, and we believe the above mentioned acreage to be contained in Lease B-1581. However, the last mentioned lease is not recorded in the name of the Drilling & Exploration Company, Inc.

We, therefore, feel that the lessee should make application for the Notice of Intention to Drill.

Yours very truly,
