Dr. E. H. Wells
State Geologist
Santa Fe, New Mexico

Dear Dr. Wells:

Mr. Chas. Staley, Drilling Superintendent for R. Olsen, informed me that they submitted a \$10,000 blanket bond some time ago.

Since our new bond forms have not been approved, I gave them permission to go ahead with their drilling. (The drilling and casing have more than met with our requirements.)

This well is a state off-set to the Atlantic State "C" Well #1, on which we started to ask for an off-set some time ago.

I hope this meets with your approval.

Very truly yours,

FJV:t

F. J. Vesely,
State Oil & Gas Inspector.
