 Eumont Gas Pool

Gentlemen:

480?

Acreage dedication plat, Form C-102, outlining 420 acres to be dedicated to the above-referenced well and your W.A. Ramsay NCT-A #14-F has been received. The location of #24 (660/E & 1920/N) is unorthodox for a gas well with more than 320 acres dedicated.

It will be necessary for you to make application for administrative approval of this unorthodox gas well location based on plug back and recompletion from oil to gas. Also, please request simultaneous dedication of this 420 acre proration unit to #14 and #24.

If you have further questions, please contact Evelyn Downs.

Very truly yours,

OIL CONSERVATION DIVISION
