Re: R. R. Bell NCT-E Com #3-C, Sec. 11, T21S, R36E

Gentlemen:

Due to the reclassification of the Oil Center-Glorieta Gas Pool to an oil pool, please submit a new Form C-102, dedicating a standard 40 acre proration unit to the above referenced well.

As stated in the letter of November 14, 1989, the above well will be listed in the oil proration schedule as a gas well producing from an oil pool.

We appreciate your cooperation in this matter.

Very truly yours

OIL CONSERVATION DIVISION
