New Mexico Oil Conservation Commission  
Santa Fe  
New Mexico

Gentlemen:

We are enclosing, in triplicate, Form C-101, notice of our intention to drill R. L. Clifton Well #2, located in the SW/4 of SE/4 of Section 4, Township 22S, Range 37E, Brunson Field, Lea County, New Mexico.

On March 2, 1946 we filed Notice of Intention to Drill this well as the Edw. A. Sticher Well #2, but have now decided that for record purposes it would be preferable to have both wells on the property to bear the same lease name.

Effective March 1, 1946, we acquired from Danglade & Slower the SW/4 of SE/4 of Section 4, Township 22S, Range 37E, Danrose-Kelly Field, and the well shown on your General State Proration Order as Danglade-Slower #1 Clifton should be shown as belonging to Tide Water Associated Oil Company.

Yours very truly,

TIDE WATER ASSOCIATED OIL COMPANY
