Gentlemen:

We have this date processed Form C-104 and assigned an allowable to the above referenced well. The well was placed in the South Sand Dunes Bone Spring Pool. If you do not concur with this, please advise this office.

In order that we may complete our file for the re-entry and completion in the Bone Spring, please submit Form C-103, subsequent report, of the re-entry work, and Form C-105, Well Record, for the Bone Spring completion.

Very truly yours,

OIL CONSERVATION DIVISION
