Gentlemen:

Attached you will find the original and four (4) copies of your Form C-103, covering the report of remedial work on our Sarah B. Hughes "B" Lease, Well No. 6, Section 17-23S-37E, Lea County, New Mexico. This well was completed in the Penrose-Skelly Field, and this is to advise you that our perforating and completion work were within the vertical limits of the Penrose-Skelly Field.

We would appreciate your stamping the extra copy and returning the same to us.

Very truly yours,
