HOBBS, NEW MEXICO

June 6, 1960

Anderson Prichard Oil Corp.
Box 196
Midland, Texas

Gentlemen:

The Commission requires that Form C-103 be filed at six month intervals indicating status and future plans for temporarily abandoned wells. Nothing has been filed, however, for your Clyde Lanehart Well No. 1 located in Unit G of Section 28, T-25-S, R-37-E since April of 1956 when the well was temporarily abandoned.

At your earliest convenience please file Form C-103 indicating the present status and future plans for this well. Unless you have some plans for future development of this well, this office sees no reason that it should not be plugged.

Yours very truly,

OIL CONSERVATION COMMISSION
