

MEXICO OIL CONSERVATION COMMISSION

Santa Fe, New Mexico

MISCELLANEOUS NOTICES

Submit this notice in triplicate to the Oil Conservation Commission or its proper agent before the work specified is to begin. A copy will be returned to the sender on which will be given the approval, with any modifications considered advisable, or the rejection by the Commission or its agent, of the plan submitted. The plan as approved should be followed, and work should not begin until approval is obtained. See additional instructions in the Rules and Regulations of the Commission.

EMERGENCY POWERS

It is the duty of the President to see that the laws are faithfully executed. In the event of an emergency, the President may take such action as he may deem necessary to execute the laws. This power is derived from the Constitution and the laws of the United States. The President may also declare a state of emergency, which will allow him to take such action as he may deem necessary to execute the laws. This power is derived from the Constitution and the laws of the United States.
