

OIL CONSERVATION COMMISSION
Santa Fe, New Mexico
MISCELLANEOUS REPORTS ON WELLS

RECEIVED
SEP 12 1949
AGENTS
HOBB'S OFFICE

Submit this report in triplicate to the Oil Conservation Commission or its proper agent within ten days after the work specified is completed. It should be signed and sworn to before a notary public for reports on beginning drilling operations, results of shooting well, results of test of casing shut off, result of plugging of well, and other important operations, even though the work was witnessed by an agent of the Commission. Reports on minor operations need not be signed and sworn to before a notary public. See additional instructions in the Rules and Regulations of the Commission. Indicate nature of report by checking below.

REPORT ON BEGINNING DRILLING OPERATIONS		REPORT ON REPAIRING WELL	
REPORT ON RESULT OF SHOOTING OR CHEMICAL TREATMENT OF WELL	X	REPORT ON PULLING OR OTHERWISE ALTERING CASING	
REPORT ON RESULT OF TEST OF CASING SHUT-OFF		REPORT ON DEEPENING WELL

OIL CONSERVATION COMMISSION,

By Ray Garbura

Title OIL & GAS INSPECTOR

1. The first part of the document discusses the importance of maintaining accurate records of all transactions and activities. It emphasizes that this is essential for ensuring transparency and accountability in the organization's operations.

2. The second part of the document outlines the various methods and tools used to collect and analyze data. It highlights the need for consistent and reliable data collection processes to ensure the validity of the findings.

3. The third part of the document describes the results of the data analysis and the key findings. It notes that the data indicates a significant trend in the market, which has implications for the organization's strategy and operations.

4. The fourth part of the document discusses the implications of the findings and provides recommendations for future actions. It suggests that the organization should focus on improving its internal processes and enhancing its customer service to better meet the needs of the market.

5. The fifth part of the document concludes the report and summarizes the main points. It reiterates the importance of ongoing monitoring and evaluation to ensure that the organization remains competitive and responsive to market changes.

6. The sixth part of the document provides a detailed breakdown of the data and includes several charts and graphs. These visual aids help to illustrate the trends and patterns in the data, making it easier to understand the findings.

7. The seventh part of the document discusses the limitations of the study and the potential sources of error. It acknowledges that while the data is comprehensive, there are still some areas where further research is needed to confirm the findings.

8. The eighth part of the document provides a final summary and a list of references. It includes a list of all the sources used in the study, as well as a final statement of the author's conclusions and recommendations.
