**Subject:** Upload of L5-MF Regency Gas Report

Good Morning Jim- Thank you again for meeting with us last week. The meeting was very beneficial to myself as well as my consultants. My hope is that Regency will now be able to provide NMOCD with the appropriate submittals via NMOCD FTP site, so as to aid with tracking and approvals. Speaking of approvals; I just uploaded the L5-MF report that Liz and I spoke to you about that is ready for closure. Please review at your convenience.
