Re: Application of Matador Production Company for administrative approval of an unorthodox well location for its Rustler Breaks 12-24S-27E RB #204H well (API 30-015-pending) located in the S/2 of Section 12, Township 24 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.

Dear Mr. Catanach:

Matador Production Company (OGRID No. 228937) seeks administrative approval of an unorthodox well location for its Tiger 14-24S-28E RB #204 (API 30-015-pending) to be completed within the Black River Wolfcamp East (Gas) Pool (Pool Code 97442) underlying Section 12, Township 24S, Range, 27E, Eddy County, New Mexico. Attached as **Exhibit A** is a C-102 for the well. This well is a horizontal well that will be drilled as follows:

- Surface Hole Location: 380 feet from the South line and 300 feet from the East line of Section 12;
- First Perforation Point: 380 feet from the South line and 330 feet from the East line of Section 12;
- Last Perforation Point: 380 feet from the South line and 330 feet from the West line of Section 12; and
- Bottom Hole Location: 380 feet from the South line and 240 feet from the West line of Section 12.

Matador Production Company is requesting this NSL in order to efficiently produce its interests in Section 12. This well is producing from the Black River, Wolfcamp East (Gas) pool (Pool Code 97442). There are no special pool rules for this pool, and thus the setback requirements under Rule 19.15.15.10(B) of 660' apply. As a result, the completed interval for this well encroaches on the adjoining spacing units in Sections 11, 13, and 14 in

Township 24 South, Range 27 East, and Sections 7 and 18 in Township 24 South, Range 28 East. **Exhibit B** is list of the surrounding lessors, lessees and operators.

Exhibit C is a list of the parties affected by the encroachment to the East, West and South. Each of these parties have been provided notice of this application by certified mail, return receipt requested, advising them that if they have any objection to this well, it must be filed with the New Mexico Oil Conservation Division within 20 days of the mailing of this notice. In addition, a copy of this application has also been provided to the New Mexico State Land Office.

Your attention to this matter is appreciated.

Sincerely,

A handwritten signature in black ink, appearing to read 'Jennifer L. Bradfute', with a stylized flourish at the end.

Re: Application of Matador Production Company for administrative approval of an unorthodox well location for its Rustler Breaks 12-24S-27E RB #204H well (API 30-015-pending) located in the S/2 of Section 12, Township 24 South, Range 27 East, N.M.P.M., Eddy County, New Mexico.

Ladies and Gentlemen:

Enclosed in this notice is a copy of the above referenced application filed with the New Mexico Conservation Division on this date. Any objections that you have to this application must be filed in writing with the New Mexico Oil Conservation Division, 1220 South St. Francis Drive, Santa Fe, New Mexico 87505, within twenty (20) days from the date the Division receives the above referenced application. If no objections are received within twenty days, this application may be administratively approved by the Division.

If you have any questions concerning this application, please contact:

Chris Carleton
Matador Production Company
5400 LBJ Freeway, Suite 1500
Dallas, TX 75240
Phone: 972-371-5430

If you have no objection to this application, please sign the waiver as indicated below and return the original. Your assistance and cooperation in this matter are appreciated.

Sincerely,

Jennifer L. Bradfute
