Hey Leonard,

I'm not sure of what the distances are. We are applying for the NSL due to the Last Take Point being at a non-standard location. The District OCD office stated that we would need an approved NSL before they would approve our completion paperwork.

Thank you,

Ms. Robyn Russell,

Re: NSL – Way South State Com Well No. 710H

I know the units in the far left area of the HSU are lots (less than 40 acres), therefore the dimensions of the Lots are regular.

Knowing that,

What is distance of encroachment towards the west? Per your survey.
