Good afternoon,

I'm writing on behalf of V-F Petroleum, Inc. ("V-F") to object to the three attached administrative applications for authorization to inject into the Glass Fed SWD #1, Reticle Fed SWD #1, and Peacemaker Fed SWD #1. V-F owns oil and gas interests in this area, is an affected party, and would be adversely impacted by WaterBridge Stateline LLC's applications.

Please let me know if you require any additional information.

Best regards,
 Dana
