Thank you, Mr. Goetze.

I'd like to inform the Division that following negotiations with Mack Energy Riley Permian has decided to withdraw its protest in this application.

Thank you again,

CAUTION: EXTERNAL SOURCE

Good afternoon, Ms. Graham. The application was suspended and Mack Energy Corporation (MEC) was informed on October 16th of the protest. I see that I informed everyone but you. My apologies. Attached is the record which is also posted with the application in the Imaging file for the application.

[OCD Online: Imaging \(nm.gov\)](#)

It is the applicant who will provide the next response – either attempting to negotiate a resolution with Riley (with Riley agreeing to withdraw the protest) or MEC filing an application for a hearing (which requires the monitoring of the notices for Division hearing). If I do have a response from MEC, I will certainly provide you an e-mail of any changes. PRG

Subject: Riley Permian's Objection to Mack Energy's SWD Application

Dear Mr. Goetze,

On behalf of Riley Permian Operating Company, LLC, OGRID No. 372290, I'm writing to object to Mack Energy Corporation's application for a Devonian SWD well, Glacier SWD #1 located in Eddy, County.

For your convenience, I have attached the Notice, dated September 4, 2024, that Riley Permian received on September 20, 2024. Riley Permian timely files this objection.

A search of the OCD Online system did not indicate the proposed SWD application has been filed. Can you please confirm that the OCD has in fact received Mack Energy's application and that Riley Permian's object has been accounted for?

Thank you in advance,

Sophia
