Hi Tony,

I hope the new year is going well for you so far! I verified the bottom hole location with the final directional survey and Completion Reports filed/approved with the NMOCD. Attached is the updated C102 including bottom hole location. Thanks again for your help.

Thanks.

Good Day, Roni

With reference to the subject PMX application, the C-102 dated 10/19/2023 (included with your C-108 package) does not include Bottom hole location data. Please provide an updated C-102 to include both surface and bottom hole data for inclusion in the PMX permit.

Please call me if you require clarification or wish to discuss.
