Mewbourne Oil Company protests the following SWD application that we received by certified mail on 11/29/2025. My company is considered an "affected person" since the proposed SWD is located on our producing acreage. I contacted the operator this week to express our concern about the location of the SWD but we have not reached a resolution before the end of the fifteen-day objection period. Please contact me if you have any questions. Thank you.
