

**STATE OF NEW MEXICO
DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES
OIL CONSERVATION DIVISION**

**APPLICATION OF MANZANO LLC
FOR COMPULSORY POOLING,
LEA COUNTY, NEW MEXICO.**

Case No. _____

APPLICATION

Pursuant to NMSA § 70-2-17, Manzano LLC (“Applicant”) (OGRID No. 231429) applies for an order pooling all uncommitted mineral interests in the Upper Penn formation underlying a 280-acre, more or less, standard horizontal spacing unit (“Unit”) comprised of the SE/4SE/4 of Section 9, E/2E/2 of Section 16, and E/2NE/4 of Section 21, Township 17 South, Range 36 East, Lea County, New Mexico. In support of its application, Applicant states the following:

1. Applicant is a working interest owner in the Unit and has the right to drill wells thereon.
2. The Unit will be dedicated to the **Bodacious State Com #91H** well (“Well”) to be horizontally drilled from a surface location in the NE/4SE/4 (Unit I) of Section 9 to a bottom hole location in the SE/4NE/4 (Unit H) of Section 21.
3. The completed interval of the Well is orthodox.
4. Applicant has undertaken diligent, good-faith efforts to obtain voluntary agreements from all mineral interest owners to participate in the drilling of the Well but has been unable to obtain voluntary agreements from all the mineral interest owners.
5. The pooling of uncommitted mineral interests will avoid the drilling of unnecessary wells, prevent waste, and protect correlative rights.
6. In order to allow Applicant to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted mineral interests in the Unit should be pooled and Applicant should be designated the operator of the Well and Unit.

WHEREFORE, Applicant requests this application be set for hearing on December 2, 2021, and that after notice and hearing the Division enter an order:

- A. Pooling all uncommitted interests in the Unit;
- B. Approving the Well in the Unit;
- C. Designating Applicant as operator of the Unit and the Well to be drilled thereon;
- D. Authorizing Applicant to recover its costs of drilling, equipping and completing the Well;
- E. Approving the actual operating charges and costs of supervision while drilling and after completion, together with a provision adjusting the rates pursuant to the COPAS accounting procedures; and
- F. Imposing a 200% penalty for the risk assumed by Applicant in drilling and completing the Well against any working interest owner who does not voluntarily participate in the drilling of the Well.

Respectfully submitted,

HINKLE SHANOR LLP
