

**STATE OF NEW MEXICO
DEPARTMENT OF ENERGY, MINERALS AND NATURAL RESOURCES
OIL CONSERVATION DIVISION**

**APPLICATION OF STEWARD ENERGY II,
LLC FOR COMPULSORY POOLING,
LEA COUNTY, NEW MEXICO**

CASE NO. _____

APPLICATION

Pursuant to NMSA § 70-2-17, Steward Energy II, LLC (OGRID No. 371682) (“Applicant”) applies for an order pooling all uncommitted interests in the San Andres formation underlying a 276.17-acre more or less, standard horizontal spacing unit comprised of the W/2 SE/4, SW/4 NE/4, and Lots 1, 2, 5, 6, and 7 (E/2 equivalent) of irregular Section 2, Township 13 South, Range 38 East, Lea County, New Mexico (“Unit”). In support of its application, Applicant states the following:

1. Applicant is a working interest owner in the Unit and has the right to drill wells thereon.
2. The Unit will be dedicated to the **Gilligan Fee 2H** well (“Well”), to be drilled from a surface hole location in Lot 4 (SE/4 SE/4 equivalent) of irregular Section 35, Township 12 South, Range 38 East, to a bottom hole location in Lot 7 (SE/4 SE/4 equivalent) of irregular Section 2, Township 13 South, Range 38 East.
3. The completed interval of the Well will be orthodox.
4. The completed interval of the Well will be located within 330’ of the Unit’s internal quarter-quarter section line to allow for the creation of a standard horizontal spacing unit.
5. Applicant has undertaken diligent, good-faith efforts to obtain voluntary agreements from all interest owners to participate in the drilling of the Well but has been unable to obtain voluntary agreements from all interest owners.

6. The pooling of uncommitted interests will avoid the drilling of unnecessary wells, prevent waste, and protect correlative rights.

7. In order to allow Applicant to obtain its just and fair share of the oil and gas underlying the subject lands, all uncommitted mineral interests in the Unit should be pooled and Applicant should be designated the operator of the Well and Unit.

WHEREFORE, Applicant requests that this application be set for hearing before an Examiner of the Oil Conservation Division on December 1, 2022, and, after notice and hearing as required by law, the Division enter an order:

- A. Pooling all uncommitted interests in the Unit;
- B. Approving the Well in the Unit;
- C. Designating Applicant as operator of the Unit and the Well to be drilled thereon;
- D. Authorizing Applicant to recover its costs of drilling, equipping and completing the Well;
- E. Approving the actual operating charges and costs of supervision while drilling and after completion, together with a provision adjusting the rates pursuant to the COPAS accounting procedures; and
- F. Imposing a 200% penalty for the risk assumed by Applicant in drilling and completing the Well against any working interest owner who does not voluntarily participate in the drilling of the Well.

Respectfully submitted,

HINKLE SHANOR LLP
