STATEMENT OF THE CASE

Applicant applies for an order extending the time to commence drilling the Tickety Boo Fed Com 2109 121H, Tickety Boo Fed Com 2109 122H, Tickety Boo Fed Com 2109 123H, Tickety Boo Fed Com 2109 131H, Tickety Boo Fed Com 2109 132H, and Tickety Boo Fed Com 2109 133H wells (“Wells”). The Division issued Order No. R-22622 (“Order”) in Case No. 23210

on April 13, 2023, approving a 720-acre, more or less, standard horizontal spacing unit comprised of the W/2 of Sections 9 and 16, and the N/2 NW/4 of Section 21, Township 19 South, Range 30 East, Eddy County, New Mexico ("Unit"); dedicated the Unit to the Wells; and designated Applicant as operator of the Unit and Wells. The Order provides that it shall terminate if Novo fails to commence drilling the Wells by April 13, 2024, unless good cause is shown.

Good cause for an extension exists because Novo's overall development plans in the immediate area of the Wells would be best served by co-developing the Wells with adjacent lands to prevent waste (i.e. parent-child effects), and federal drilling permits for wells in the adjacent tracts have been delayed. These delays have impacted Novo's ability to commence drilling the Wells. Novo requests that the Division extend the deadline to commence drilling the Wells until April 13, 2025.
