**CASE NO. 24963**

**MOTION TO STRIKE**

Paula Vance filing motions the morning of the hearing December 19,2024.

American Energy Resources LLC, opposes all motions filed by Permian Resources Operating LLC, for not having standing or merit to do so.

**19.15.14.8 (B)**

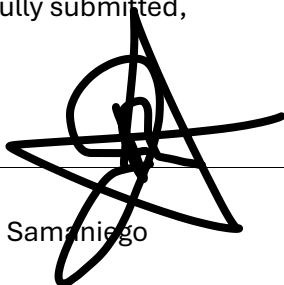

The hearing examiner gave both parties strict deadlines that have already passed.

Permian Resources Operating LLC, has no standing or merit to proceed in any shape or form, no ethical right to statements, no ethical right to make requests, for the fact Permian is not an interest owner in the proposed pool.

Therefore, Permian Resources Operating LLC, case no 24963 must be dismissed, void, canceled, to prevent further damage to effected party.

Furthermore, American Energy Resources LLC, requests sanctions on Permian Resources Operating LLC and for the Division to dismiss, cancel, and void all Permian Resources Operating LLC application to pool and drill, for acting in such bad faith, misleading the division, no remorse toward effected parties, acts of Perjury and coercion to eliminate an effected party, illegally pooling and drilling in clear violation with the oil and gas act, and be apprehended to the attorney general to further investigate.

Respectfully submitted,
