9

10 50:11

11 Mr.

12
13 50:12

14 McClure, I know it's 9:00.

15
16 50:13

17 I just need another minute or so.

18
19 53:21

20 3:00 AM.

21
22 53:23

23 And we are going to.

24
25 53:28

26 Is it OK to go?

27
28 53:30

29 All right.

30
31 53:30

32 This is a special docket of the Oil Conservation Division, the last day of September 2025.

33
34 53:38

35 With me is Mr.

36
37 53:39

38 Dean McClure, Technical Examiner, and we are recording this via teams and it will also
39 produce an artificial intelligence transcript to go with it.

40
41 53:52

42 So we do not have a court reporter today.

43
44 53:54

45 OK.

46
47 53:55
48 I'm going to start with case number 125487, Strata Production entries, please.
49
50 54:01
51 Good morning, Mr.
52
53 54:02
54 Examiners.
55
56 54:03
57 Sharon Shaheen on behalf of Strata Production, thank you.
58
59 54:07
60 Good morning.
61
62 54:07
63 Carrie Hatley entering an appearance on behalf of Konica Phillips Company monitoring only.
64
65 54:12
66 Thank you.
67
68 54:12
69 Miss Shaheen.
70
71 54:13
72 Go ahead.
73
74 54:14
75 Thank you.
76
77 54:14
78 This case was continued to from the September 11th hearing and Mr.
79
80 54:20
81 McClure's request that we submit a revised Exhibit B3 with the depth tracks for the cross
82 section.
83
84 54:26
85 Those were submitted I believe on the same day, September 11th.
86
87 54:30
88 And if, if those are satisfactory, we would move that the revised exhibit package be admitted
89 into the record and that this case be taken under advisement.

90
91 54:40
92 Thank you.
93
94 54:41
95 Entered as evidence without exception.
96
97 54:43
98 Mr.
99
100 54:43
101 McClure?
102
103 54:45
104 No questions.
105
106 54:46
107 Mr.
108
109 54:46
110 Herring, examiner, I believe we can take it under advisement.
111
112 54:49
113 Case is taken under advisement.
114
115 54:50
116 We're off the record.
117
118 54:51
119 Thank you.
120
121 54:52
122 Now calling Coterra Energy.
123
124 54:54
125 We have two cases, 25524 and 25 entries, please.
126
127 54:58
128 Good morning, Mr.
129
130 54:59
131 Examiner Deena Bennett on behalf of Coterra Energy Operating.

132
133 55:03
134 I don't see any of the parties, Miss Bennett, so please proceed.
135
136 55:06
137 Thank you.
138
139 55:08
140 These cases, like the case that Miss Shaheen just presented, were originally heard on the
141 September 11th docket and the technical examiner, Mr.
142
143 55:16
144 McClure asked for three revisions or additions.
145
146 55:21
147 He asked for us to revise Exhibit A4 to add attract recapitulation, revise Exhibit A5 to
148 remove Newburn Oil Company as a pool party, and add more legible AF ES to Exhibit A6,
149 all of which we have done in both exhibit packets.
150
151 55:40
152 And so with that, I would ask that the revised exhibit packets in case numbers 25524 and
153 25525 be admitted into the record and these cases be taken under advisement.
154
155 55:51
156 Thank you.
157
158 55:51
159 Miss Bennett.
160
161 55:52
162 The exhibits are admitted into evidence without exception.
163
164 55:56
165 Mr.
166
167 55:56
168 McClure.
169
170 55:57
171 No questions for Mr.
172
173 55:58
174 Herring Examiner.

175
176 56:00
177 Thank you.
178
179 56:00
180 Miss Bennett.
181
182 56:00
183 They're taken under advisement.
184
185 56:02
186 We're off the record.
187
188 56:03
189 Thank you very much.
190
191 56:04
192 Have a good day.
193
194 56:04
195 Moving on.
196
197 56:05
198 Thank you.
199
200 56:06
201 Moving on to Devon Energy Production, these are case numbers 25526272829.
202
203 56:12
204 Good morning, Mr.
205
206 56:13
207 Herring Examiner.
208
209 56:13
210 Good morning.
211
212 56:14
213 I'm Mr.
214
215 56:14
216 Technical Examiner Darren Savage with Ave.

217
218 56:17
219 and SHILL on behalf of Devon Energy Production Company.
220
221 56:20
222 Good morning, Mr.
223
224 56:21
225 Examiner.
226
227 56:21
228 Carrie Haley entering her appearance on behalf of COG Operating monitoring only.
229
230 56:26
231 Thank you.
232
233 56:27
234 Good morning, Mr.
235
236 56:28
237 Hearing Examiner Paula Vance with the Santa Fe office of Holland and Hart on behalf of
238 Matador.
239
240 56:33
241 And we just entered in appearance.
242
243 56:35
244 We're not objecting, we're just observing.
245
246 56:37
247 Thanks.
248
249 56:37
250 Perfect.
251
252 56:38
253 Thank you.
254
255 56:38
256 Do we have EOG?
257
258 56:44
259 Would that be Jordan Kessler?

260
261 56:48
262 Mr.
263
264 56:48
265 Savage, do you know?
266
267 56:50
268 I would, I believe that would be Jordan Kessler.
269
270 56:52
271 All right, do you know if she's objecting to anything?
272
273 56:55
274 Not no, as I understand she's just monitoring.
275
276 56:58
277 All right, can go right ahead.
278
279 56:59
280 OK, thank you.
281
282 57:01
283 This case was originally heard on September 11th.
284
285 57:04
286 There was a publication notice issue that needed to be a cured.
287
288 57:07
289 So it was continued to to to to today and Mr.
290
291 57:12
292 McClure asked for some amendments to the hearing packet.
293
294 57:17
295 And when was the including of the of a geology exhibit, Exhibit B3 to include API numbers
296 and to revise the the pooling list to remove the state of New Mexico as a royalty owner.
297
298 57:32
299 And I believe these have been accomplished for all four cases.
300
301 57:36
302 Revised hearing packets have been admitted and I ask that they be accepted into the record.

303
304 57:45
305 Thank you.
306
307 57:46
308 It is accepted into the record without exception.
309
310 57:49
311 Mr.
312
313 57:49
314 McClure.
315
316 57:50
317 No questions for any of these four cases.
318
319 57:52
320 Mr.
321
322 57:53
323 Herring examiner, Thank you.
324
325 57:54
326 Then they're all taken under advisement and we are off the record.
327
328 57:57
329 Let's move on to Simrex Energy.
330
331 57:59
332 This is 2553-O in three one entries.
333
334 58:03
335 Good morning, Mr.
336
337 58:04
338 Herring examiner.
339
340 58:04
341 Good morning, Mr.
342
343 58:05
344 Technical Examiner, Darren Savage with Ave.

345
346 58:07
347 and SHILL on behalf of Simrex Energy.
348
349 58:10
350 Good morning, Mr.
351
352 58:11
353 Examiner, Carrie Hatley entering her appearance on behalf of COG acreage and COG
354 operating monitoring only.
355
356 58:17
357 Thank you.
358
359 58:19
360 I think we have EOG, but I don't.
361
362 58:22
363 Do you know whether Miss Kessler no one.
364
365 58:25
366 OK, go right ahead.
367
368 58:26
369 OK, Mr.
370
371 58:27
372 Hearing Examiner, thank you.
373
374 58:29
375 These cases also were heard on September 11th and there was an issue with the publication
376 notice which needed to be cured.
377
378 58:34
379 So they were continued to today there was there was no request or objection regarding the
380 hearing packet, but I believe that the the land man did update some things on the on the
381 hearing packet regarding appearances of of of a party that at the at the hearing.
382
383 58:55
384 And so we did we did do a revised hearing packet to address some of that and and that's
385 included.
386
387 59:03
388 And I asked that the the division admit that the revised cheering packet into the record
389 accepted as evidence without exception.

390
391 59:15
392 Mr.
393
394 59:15
395 McClure Oh, Mr.
396
397 59:17
398 Herring examiner.
399
400 59:19
401 It's possible to make the service and select the job.
402
403 59:25
404 Go ahead.
405
406 59:25
407 Mr.
408
409 59:28
410 It's possible that Mister Savage might be able to summarize it.
411
412 59:30
413 Otherwise, I mean to ask questions to the land man.
414
415 59:33
416 Do we have the land man?
417
418 59:34
419 The land man's available.
420
421 59:35
422 We do have the land man, Mr.
423
424 59:36
425 McClure.
426
427 59:37
428 Why don't we just get him sworn in?
429
430 59:39
431 OK.

432
433 59:41
434 You want to call your land man?
435
436 59:43
437 Yes.
438
439 59:44
440 Mr.
441
442 59:44
443 Dillon Park.
444
445 59:45
446 Are are you available online?
447
448 59:47
449 Yes, Sir.
450
451 59:47
452 I'm here.
453
454 59:48
455 OK.
456
457 59:49
458 Perfect.
459
460 59:50
461 Please raise your right hand for me.
462
463 59:51
464 Do you swear, affirm under penalty of perjury that this testimony you're about to give is the
465 truth, The whole truth?
466
467 59:57
468 Nothing but the truth.
469
470 59:59
471 Yes, Sir, I do.
472
473 1:00:00
474 Please spell your name.

475
476 1:00:02
477 It's Dylan.
478
479 1:00:03
480 Dylan, last name.
481
482 1:00:05
483 Park.
484
485 1:00:05
486 PARK.
487
488 1:00:07
489 OK.
490
491 1:00:07
492 And have you been accepted as an expert for this division?
493
494 1:00:11
495 Yes, Sir, I have.
496
497 1:00:13
498 In what field?
499
500 1:00:14
501 Petroleum Land Management.
502
503 1:00:16
504 Perfect.
505
506 1:00:16
507 Mr.
508
509 1:00:17
510 McClure.
511
512 1:00:18
513 Thank you.
514
515 1:00:19
516 Mr.

517
518 1:00:19
519 Herring, Examiner.
520
521 1:00:20
522 Mr.
523
524 1:00:20
525 Park, there's reference to Exhibit A2 and A4 being amended.
526
527 1:00:26
528 Can you summarize what changes were made to those exhibits?
529
530 1:00:31
531 Yes, Sir, it, it was pretty simple.
532
533 1:00:34
534 Under case number 25531, Northern Oil and Gas is a party, whereas in case number 25530
535 it's EOG.
536
537 1:00:49
538 And so I just made that clear in these exhibits.
539
540 1:00:52
541 EOG owns in the Bone Spring, Northern Oil and Gas owns in the Wolf Camp.
542
543 1:00:57
544 And that was the only change that was made, Sir.
545
546 1:01:01
547 OK.
548
549 1:01:02
550 So then the summary of ownership was changed to reflect that then, is that correct?
551
552 1:01:07
553 That is correct, Sir.
554
555 1:01:08
556 Yes, Sir.
557
558 1:01:10
559 OK, so then our current amended exhibit package then has the correct summary breakdown
560 then is that correct?

561
562 1:01:18
563 Yes, Sir.
564
565 1:01:19
566 OK, thank you, Mr.
567
568 1:01:21
569 Park.
570
571 1:01:21
572 Yes, Sir.
573
574 1:01:21
575 Thank.
576
577 1:01:22
578 Thank you.
579
580 1:01:22
581 Mr.
582
583 1:01:23
584 Herring.
585
586 1:01:23
587 Examiner.
588
589 1:01:23
590 I have no further questions for these cases.
591
592 1:01:25
593 All right, then they'll be taken under advisement.
594
595 1:01:27
596 Thank you, Mr.
597
598 1:01:28
599 Park.
600
601 1:01:28
602 Thank you, Mr.

603
604 1:01:29
605 Savage.
606
607 1:01:29
608 We're off the record.
609
610 1:01:30
611 All right, Thank you.
612
613 1:01:31
614 All right, moving on to Permian Resource cases, it looks like there are three of them that are
615 combined 255-442-5565 and six, six entries, please.
616
617 1:01:42
618 Good morning, Jackie McClain on behalf of Permian Resources.
619
620 1:01:45
621 Thank you.
622
623 1:01:46
624 Good morning.
625
626 1:01:46
627 Carrie Hatley entering her appearance on behalf of Conoco Phillips Company monitoring
628 only.
629
630 1:01:50
631 Perfect.
632
633 1:01:51
634 Thank you.
635
636 1:01:53
637 And do we have a Catherine Kirkus pro SE representing E bar?
638
639 1:01:58
640 ZI think their issues were resolved at the last hearing.
641
642 1:02:05
643 So I'm not sure if they'll be on or not.
644
645 1:02:08
646 OK.

647
648 1:02:09
649 I don't hear anyone.
650
651 1:02:10
652 Freya, any idea?
653
654 1:02:13
655 Yeah, there's no one on.
656
657 1:02:14
658 No one on.
659
660 1:02:15
661 OK, and and what?
662
663 1:02:17
664 Let's just for the record, just put it on the record.
665
666 1:02:19
667 What was the issue and how was it resolved?
668
669 1:02:22
670 They had objected to being pooled, but then we had that discussion about how they didn't
671 actually own in the acreage 'cause it had been transferred to a trust.
672
673 1:02:34
674 And then I think you had even asked them like, is this resolved?
675
676 1:02:37
677 And they said yes, great, perfect.
678
679 1:02:39
680 OK, go right ahead and present your cases.
681
682 1:02:41
683 Great.
684
685 1:02:42
686 So as requested at the September 11th hearing, Permian Resources submitted amended
687 exhibit packets for case numbers 255-442-5566 and 25565, and that was just to amend
688 Exhibit B5.
689
690 1:02:59

691 So we'd ask that the exhibits be admitted into the record and that the cases be taken under
692 advisement.

693

694 1:03:06

695 Thank you.

696

697 1:03:06

698 Without exception, Mr.

699

700 1:03:07

701 McClure.

702

703 1:03:09

704 No questions.

705

706 1:03:09

707 Mr.

708

709 1:03:10

710 Herring, examiner, and they're all taken under advisement.

711

712 1:03:12

713 Thank you.

714

715 1:03:13

716 Miss McClain, we're off the record.

717

718 1:03:15

719 Let's move on to more cases I think that are yours.

720

721 1:03:18

722 Miss McClain.

723

724 1:03:19

725 These are Permian Resource cases 25550 through six one.

726

727 1:03:26

728 Yes, Jackie McClain on behalf of Permian Resources and there are no other parties.

729

730 1:03:32

731 Go right ahead.

732

733 1:03:33

734 Yes.

735
736 1:03:34
737 In these cases we first filed the pre hearing statements that were not in the OCD docketing
738 system prior to the September 11th docket.

739
740 1:03:48
741 And we also filed A supplemental exhibit which was a supplement to Exhibit B for the
742 affidavit of publication.

743
744 1:04:00
745 And I attached the full page that the publication had appeared on because in our exhibit
746 packet it had been cut off.

747
748 1:04:11
749 And so I just attached that and then I said that I caused it to be published in the Carlsbad
750 current August on August 26th, 2025.

751
752 1:04:23
753 And with that, I ask that the supplemental exhibit before be admitted into the record and that
754 the cases be taken under advisement.

755
756 1:04:33
757 Perfect.

758
759 1:04:34
760 Without exception.

761
762 1:04:34
763 Mr.

764
765 1:04:35
766 Mr.

767
768 1:04:36
769 McClure.

770
771 1:04:37
772 No questions.

773
774 1:04:38
775 Mr.

776
777 1:04:38
778 Herring, Examiner, all of these cases are taken under advisement.

779
780 1:04:42
781 Thank you.
782
783 1:04:42
784 We're off the record in those cases.
785
786 1:04:44
787 Let's move on to Coterra Energy 25563.
788
789 1:04:51
790 Morning, Mr.
791
792 1:04:51
793 Hearing Examiner.
794
795 1:04:52
796 Good morning.
797
798 1:04:53
799 Mr.
800
801 1:04:53
802 Technical Examiner, Darren Savage with Avidy and Shill on behalf of Coterra Energy
803 Operating Company.
804
805 1:04:59
806 Good morning, Mr.
807
808 1:05:00
809 Examiner.
810
811 1:05:01
812 Carrie Hatley entering her appearance on behalf of COG Operating, Concho Oil and Gas,
813 Marathon Oil, Permian and Mongoose Minerals, monitoring only.
814
815 1:05:08
816 Thank you.
817
818 1:05:10
819 Good morning.
820
821 1:05:10
822 Mr.

823
824 1:05:10
825 Hearing Examiner Paula Vance with the Santa Fe office of Holland and Hart on behalf of
826 Matador.
827
828 1:05:15
829 And we are just monitoring as well.
830
831 1:05:18
832 Perfect.
833
834 1:05:18
835 Thank you.
836
837 1:05:19
838 Mr.
839
840 1:05:19
841 Bruce.
842
843 1:05:20
844 Mr.
845
846 1:05:21
847 Jim Bruce representing Pride Energy Company, your position just monitoring.
848
849 1:05:29
850 Thank you.
851
852 1:05:30
853 OK, Mr.
854
855 1:05:31
856 Savage.
857
858 1:05:31
859 OK, thank you.
860
861 1:05:33
862 This case also was heard on September 11th and there was a issue with the publication notice
863 which need to be curious.
864
865 1:05:40
866 We continued it to today.

867
868 1:05:42
869 There was a couple of things that Mister McClure asked the amended in the hearing packet
870 and one was the vertical extent of the formation to be pooled.
871
872 1:05:52
873 And we also included record title owners in in the pulling list because we wanted to account
874 for the interest of the record title owner.
875
876 1:06:02
877 So so we did a revised hearing packet.
878
879 1:06:05
880 We asked that the hearing packet be admitted into the record without exception.
881
882 1:06:11
883 Mr.
884
885 1:06:11
886 McClure.
887
888 1:06:13
889 No question for this case.
890
891 1:06:14
892 Mr.
893
894 1:06:14
895 Harry and Salmoner, this case is taken under advisement.
896
897 1:06:16
898 We're off the record.
899
900 1:06:17
901 Let's move on to Devon Energy.
902
903 1:06:22
904 Good morning.
905
906 1:06:22
907 Excuse me.
908
909 1:06:23
910 I haven't.

911
912 1:06:23
913 Oh, excuse me.
914
915 1:06:24
916 I haven't listed the cases yet.
917
918 1:06:26
919 255-712-5601 entries, please.
920
921 1:06:31
922 Thank you.
923
924 1:06:32
925 Good morning.
926
927 1:06:32
928 Darren Savage with Abby and Shell.
929
930 1:06:34
931 On behalf of Divin Energy Protection Company, Thank you.
932
933 1:06:38
934 Good morning, Mr.
935
936 1:06:39
937 Hearing Examiner, Paula Vance with the Santa Fe office of Holland and Heart.
938
939 1:06:42
940 On behalf of matador.
941
942 1:06:44
943 And we are just monitoring.
944
945 1:06:46
946 Thank you, Miss Vance.
947
948 1:06:47
949 Mr.
950
951 1:06:48
952 Savage, do you know if EOG objects to accusation?
953
954 1:06:52

955 I, I, I believe they're just monitoring and and you know, I, I believe once Kessler has made a
956 written entry of appearance that she typically goes by that.

957

958 1:07:00

959 Perfect.

960

961 1:07:01

962 Thank you.

963

964 1:07:03

965 Go ahead.

966

967 1:07:03

968 OK, so I again this this these cases, I had a issue with the publication notice and so we
969 continue them to today.

970

971 1:07:11

972 There are a number of items that the Mr.

973

974 1:07:14

975 McClure asked to to amend in the hearing packet and we submitted the revised hearing
976 packets for that purpose for the two hearing packets and we move that the that the request
977 that the division admit these into the record.

978

979 1:07:31

980 Thank you.

981

982 1:07:32

983 Without exception, Mr.

984

985 1:07:34

986 McClure.

987

988 1:07:35

989 No questions.

990

991 1:07:36

992 Missionary Examiner.

993

994 1:07:37

995 Perfect.

996

997 1:07:37

998 We're off the record in these cases.

999
1000 1:07:39
1001 They're taken under advisement.
1002
1003 1:07:40
1004 Thank you.
1005
1006 1:07:41
1007 Let's move on to #28 On our docket.
1008
1009 1:07:43
1010 This is 25573.
1011
1012 1:07:47
1013 Mr.
1014
1015 1:07:47
1016 Examiner.
1017
1018 1:07:48
1019 Jim Bruce, representing Newburn Oil Company and I have not received any entry of
1020 appearance from anyone else.
1021
1022 1:07:55
1023 Thank you.
1024
1025 1:07:56
1026 Did you file exhibits?
1027
1028 1:08:00
1029 Yes, I did, Mr.
1030
1031 1:08:01
1032 Examiner.
1033
1034 1:08:02
1035 I, I filed them when the original hearing, I, I forget back in early September, but it, the matter
1036 was continued.
1037
1038 1:08:13
1039 And then yesterday afternoon, I, which I will explain, I did file some updated exhibits,
1040 primarily because I didn't receive any notice exhibits, and I mean any notice materials back
1041 from the post office or the newspaper until about a week and a half ago.

1042
1043 1:08:33
1044 So that was the main reason why I filed A supplemental package of exhibits.
1045
1046 1:08:39
1047 OK.
1048
1049 1:08:40
1050 So Mr.
1051
1052 1:08:41
1053 McClure, was this your case when it was first heard?
1054
1055 1:08:46
1056 Yes.
1057
1058 1:08:47
1059 We never really heard it yet, but it was kind of on my list, I guess.
1060
1061 1:08:52
1062 Oh, OK, We hadn't heard it yet.
1063
1064 1:08:54
1065 OK.
1066
1067 1:08:56
1068 How do you want to proceed?
1069
1070 1:09:00
1071 Well, there's going to be some additional amendments that I'm going to request that Mister
1072 Bruce makes.
1073
1074 1:09:06
1075 So I would I would like to hear it even regardless of the late filing, if we may Perfect, Mr.
1076
1077 1:09:13
1078 Bruce.
1079
1080 1:09:13
1081 Go ahead, Mr.
1082
1083 1:09:16
1084 Examiner.

1085
1086 1:09:16
1087 In this case, Newburn seeks to force pool the South half S half, sections 8 and 922 S 27 E for
1088 purposes of drilling two of its Sandlot Bone Spring wells.

1089
1090 1:09:32
1091 The exhibit package contains the usual.

1092
1093 1:09:34
1094 Exhibit A is the pooling checklist.

1095
1096 1:09:38
1097 Exhibit B is the affidavit of the land man.

1098
1099 1:09:43
1100 There was a change from the original.

1101
1102 1:09:46
1103 Exhibit 2B originally did not contain a list of all the working interest owners, but the current
1104 Exhibit 2B in the first revised edition of exhibits does contain a list of all interest owners,
1105 including those being pooled.

1106
1107 1:10:06
1108 Exhibit 3A, or excuse me, Exhibit C, is the geologist affidavit containing usual materials.

1109
1110 1:10:15
1111 Exhibit 4 is my certified mailing affidavit, although I had originally included just the letter
1112 and the certified white cards because I had not received any mailings back from anybody
1113 within the past week and a half.

1114
1115 1:10:33
1116 I did receive 1 green card and one returned envelope undelivered, and I included those.

1117
1118 1:10:41
1119 Exhibit 5 is the affidavit of publication that was published in late August, so it's timely.

1120
1121 1:10:49
1122 I did not receive the affidavit itself until a week and a half ago, and that is included in the
1123 revised exhibit package.

1124
1125 1:11:00
1126 And Exhibit 6 is simply the application and proposed notice.

1127
1128 1:11:04
1129 So with that, I'd open it up to Mr.

1130
1131 1:11:07
1132 McClure.

1133
1134 1:11:10
1135 So do you want anything to be admitted into evidence, Mr.

1136
1137 1:11:13
1138 Bruce?

1139
1140 1:11:15
1141 Yes, Sir.

1142
1143 1:11:17
1144 OK, All right.

1145
1146 1:11:19
1147 There are no other parties that I know of.

1148
1149 1:11:21
1150 So these exhibits, as they stand now, are admitted into evidence, including the late filed
1151 amended exhibits that were submitted yesterday.

1152
1153 1:11:32
1154 Mr.

1155
1156 1:11:33
1157 McClure.

1158
1159 1:11:34
1160 Mr.

1161
1162 1:11:34
1163 Hangs them.

1164
1165 1:11:35
1166 And I do have questions for the land man in this case.

1167
1168 1:11:37
1169 OK, Mr.

1170
1171 1:11:38
1172 Bruce, your land man, Carson Cullen.

1173
1174 1:11:49
1175 OK, I see you.
1176
1177 1:11:50
1178 Mr.
1179
1180 1:11:50
1181 Cullen.
1182
1183 1:11:50
1184 Would you raise your right hand?
1185
1186 1:11:54
1187 Do you swear or affirm under penalty of perjury that the testimony you're about to give is the
1188 truth?
1189
1190 1:11:58
1191 The whole truth?
1192
1193 1:11:58
1194 Nothing but the truth.
1195
1196 1:12:00
1197 I do.
1198
1199 1:12:01
1200 OK, great.
1201
1202 1:12:01
1203 Well, you can put your hand down now.
1204
1205 1:12:03
1206 Can you spell your name?
1207
1208 1:12:05
1209 Carson.
1210
1211 1:12:06
1212 Carson Cullen.
1213
1214 1:12:08
1215 Cullen.

1216
1217 1:12:10
1218 And have you been previously qualified as an expert for this division?
1219
1220 1:12:15
1221 Yes, Sir.
1222
1223 1:12:16
1224 In what field?
1225
1226 1:12:17
1227 Petroleum land man.
1228
1229 1:12:19
1230 OK, perfect.
1231
1232 1:12:19
1233 Mr.
1234
1235 1:12:19
1236 McClure.
1237
1238 1:12:21
1239 Oh, thank you, Mr.
1240
1241 1:12:21
1242 Hearing Examiner.
1243
1244 1:12:23
1245 Mr.
1246
1247 1:12:23
1248 Collin, if I can direct your attention to your statement, it's on page 6 of 35 of the amended
1249 exhibit packet.
1250
1251 1:12:35
1252 OK.
1253
1254 1:12:37
1255 I'm specifically looking at your paragraph four there where you reference there are no death
1256 severances in the Wolf Camp formation.
1257
1258 1:12:43
1259 Do you see where I'm referring to?

1260
1261 1:12:45
1262 Yes, Sir.
1263
1264 1:12:47
1265 Is that a typo and you meant to say Bone Spring there?
1266
1267 1:12:51
1268 Yes, Sir.
1269
1270 1:12:53
1271 OK.
1272
1273 1:12:53
1274 So is it accurate to say there are no depth severances within the Bone Spring formation?
1275
1276 1:12:57
1277 That is correct.
1278
1279 1:12:59
1280 OK.
1281
1282 1:12:59
1283 If I were to ask you to amend your statement to correct the typo, you understand what I'm
1284 asking for?
1285
1286 1:13:08
1287 Yes, Sir.
1288
1289 1:13:10
1290 OK.
1291
1292 1:13:11
1293 If I can direct your attention to Exhibit 2B, it was page 13.
1294
1295 1:13:19
1296 Let me see what the new page is.
1297
1298 1:13:33
1299 I mean, I guess it's kind of page 14 now.
1300
1301 1:13:35
1302 I guess it's Exhibit C maybe is where I'm kind of looking at.

1303
1304 1:13:40
1305 Are you with me, Mr.
1306
1307 1:13:41
1308 Collin?
1309
1310 1:13:41
1311 You're are the tract ownership exhibit?
1312
1313 1:13:47
1314 Yes, that's correct on here.
1315
1316 1:13:50
1317 It almost appears that we're only identifying a single track, is that correct?
1318
1319 1:13:58
1320 This is going to be the proration unit that covers the South half S half of both sections.
1321
1322 1:14:07
1323 OK.
1324
1325 1:14:08
1326 So is there another track breakout somewhere in the exhibit then I guess you're asking me for
1327 individual ownership for that shows leasehold ownership for each one of these companies?
1328
1329 1:14:24
1330 No, let me re ask my question.
1331
1332 1:14:30
1333 Is there?
1334
1335 1:14:31
1336 Well, let me ask the identifying question, is the interest identical across the entirety of the
1337 proposed unit?
1338
1339 1:14:43
1340 No, it's not OK.
1341
1342 1:14:46
1343 Do you have anywhere in the exhibits where the separate set of ownership is depicted as in
1344 particular tracks within that proration unit?
1345
1346 1:15:07
1347 Hesitating a little bit to answer questions, but my question is yes.

1348
1349 1:15:12
1350 Is there any where you show the individual tracks within the unit?
1351
1352 1:15:18
1353 Not in these exhibits, no, Sir.
1354
1355 1:15:22
1356 All the parties that are listed here that we are not pulling have signed the JOA and are
1357 participating in these wells.
1358
1359 1:15:37
1360 If I were to ask you to provide me with that track map with the different ownership broke out,
1361 do you understand what I'm asking for?
1362
1363 1:15:48
1364 I do based on this exhibit packet or this current breakout, is it accurate to say that newborn
1365 understands that it needs to provide us with a full list of everyone, including the people that
1366 have committed to the unit?
1367
1368 1:16:19
1369 OK, so yeah, that's that's that must be the misunderstanding because all the people that aren't
1370 aren't highlighted on page 14 of the exhibit package are are those owners.
1371
1372 1:16:35
1373 Is it accurate to say that in the initial, initial exhibit packet newborn had had it listed 97%
1374 interest, something along those lines?
1375
1376 1:16:45
1377 I, I had folded everyone underneath our ownership into us as having signed the Jon being not
1378 a pool party, correct.
1379
1380 1:16:56
1381 And you understand that the division needs to see a total breakout similar to what you have in
1382 this exhibit C, is that correct?
1383
1384 1:17:06
1385 I've, I've realized that those requests have changed over the past few months.
1386
1387 1:17:10
1388 Yes, Sir.
1389
1390 1:17:39
1391 Thank you, Mr.

1392
1393 1:17:40
1394 Collin.

1395
1396 1:17:41
1397 Mr.

1398
1399 1:17:41
1400 Hearing Examiner, I have no further questions, but I do have a request for Mr.
1401
1402 1:17:45
1403 Bruce.

1404
1405 1:17:46
1406 OK, go ahead.

1407
1408 1:17:48
1409 Mr.

1410
1411 1:17:49
1412 Bruce, on your C pack, we have an incorrect pool listed.
1413
1414 1:17:55
1415 Do you have a pen and paper handy where I could give you that correct pool?
1416
1417 1:18:01
1418 I sure do.

1419
1420 1:18:02
1421 Thank you.

1422
1423 1:18:03
1424 Yes, Sir.

1425
1426 1:18:04
1427 The correct pool is, I'm probably going to mispronounce it, but it's Pool Cold 97755, and
1428 that's Esperanzo or Esperanza Bone Spring.
1429
1430 1:18:22
1431 OK.

1432
1433 1:18:23
1434 Thank you.

1435
1436 1:18:25
1437 Yeah, Thank you, Mr.
1438
1439 1:18:26
1440 Bruce.
1441
1442 1:18:27
1443 And then you caught the everything that we needed amended, did you?
1444
1445 1:18:31
1446 Yes.
1447
1448 1:18:32
1449 Yes.
1450
1451 1:18:32
1452 We'll take care of that.
1453
1454 1:18:37
1455 OK Mr.
1456
1457 1:18:37
1458 Bruce, thank you.
1459
1460 1:18:39
1461 So Mr.
1462
1463 1:18:40
1464 Bruce, when do you want to continue this case?
1465
1466 1:18:46
1467 Well, as soon, as soon as possible, Sir, since it was, you know, set to be heard September
1468 11th.
1469
1470 1:18:55
1471 So, OK, Freya, can we put this?
1472
1473 1:18:58
1474 I know October 9 is over prescribed as it is, but can we put this on October 9?
1475
1476 1:19:04
1477 Yes.

1478
1479 1:19:05
1480 All right.
1481
1482 1:19:06
1483 Mr.
1484
1485 1:19:06
1486 Bruce, please continue this case to the October 9 docket.
1487
1488 1:19:11
1489 Will do.
1490
1491 1:19:12
1492 Thank you.
1493
1494 1:19:13
1495 All right, you're welcome.
1496
1497 1:19:14
1498 We're off the record.
1499
1500 1:19:15
1501 And last but not least, Matador production 2558-O.
1502
1503 1:19:21
1504 Good morning, Mr.
1505
1506 1:19:21
1507 Hearing Examiner Paula Vance with the Santa Fe Office of Holland and Heart.
1508
1509 1:19:25
1510 On behalf of the applicant Matador, Thank you.
1511
1512 1:19:29
1513 Good morning.
1514
1515 1:19:30
1516 Mr.
1517
1518 1:19:30
1519 Examiner, Carrie Hatley entering her appearance on behalf of Marathon Oil Permian.

1520
1521 1:19:34
1522 Just monitoring Miss Vance.
1523
1524 1:19:38
1525 Yes.
1526
1527 1:19:38
1528 So in this case, we just filed A revised hearing packet because Matador moved its surface
1529 hole location and we wanted to make sure that that was accurately reflected in the C pack and
1530 then the updated C1O2.
1531
1532 1:19:57
1533 And so that's all that's been updated, although there were two overrides that were removed
1534 because they no longer required to be pulled.
1535
1536 1:20:06
1537 So those were just the little updates that were made to the hearing packet.
1538
1539 1:20:10
1540 Other than that, I would ask that the exhibits and sub exhibits be admitted into the record and
1541 that this case be taken under advisement.
1542
1543 1:20:18
1544 And I did present this case at the 9/11 hearing.
1545
1546 1:20:21
1547 So that was just the one piece missing.
1548
1549 1:20:24
1550 Perfect.
1551
1552 1:20:25
1553 Thank you, Miss Vance.
1554
1555 1:20:25
1556 Without exception, Mr.
1557
1558 1:20:27
1559 McClure, no questions.
1560
1561 1:20:29
1562 Miss Herring Salmoner, this case is taken under advisement.

1563

1564 1:20:32

1565 We're off the record in this case and that concludes our docket for today.

1566

1567 1:20:37

1568 So thank you.
