CASE NO. 25573

MOTION FOR CONTINUANCE

Mewbourne Oil Company ("Mewbourne") moves the Division to continue the above case to the October 23, 2025 hearing, and in support thereof states:

1. As required by the Division at the September 30th hearing, this matter was continued to the October 9th docket to correct certain items in the exhibit package.
2. Due to doctor's orders on recovery from recent retinal surgery, the undersigned had very little time per day to spent on office work.
3. As a result, the undersigned did not timely complete and file the revised exhibit package necessary to give the Examiners sufficient time to review the exhibits.
4. As a result, Mewbourne requests that this matter be continued to October 23 so that the revised exhibits may be timely filed.
5. This matter is unopposed.

Respectfully submitted,
