**CASE NO. 25929**

**OIL CONSERVATION DIVISION'S  
DOCKETING NOTICE**

The New Mexico Oil Conservation Division ("OCD"), pursuant to 19.15.5.10(E)(2)(a) NMAC, gives notice that it has docketed the Notice of Violation ("NOV"), a true and correct copy of which is attached as **Exhibit A**, and states the following in support thereof:

1. On or about January 21, 2026 OCD issued an original NOV to Caprock Exploration, Inc. ("Operator"), OGRID #3675.
2. Based upon information, custom, and belief, certified mail containing the NOV arrived or will soon arrive at Operator's address of record. Additionally, electronic mail was sent to Operator's known email addresses of record.
3. The NOV identifies the factual basis for the alleged violations, the compliance actions required to remedy the alleged violations, and the proposed sanctions.
4. The Original NOV stated that if Operator did not informally resolve the NOV within 30 days of receipt of service, then OCD would proceed to a hearing.
5. Unless this case is resolved prior, the period for informal resolution will have elapsed without coming to a resolution prior to March 5, 2026.
6. The NOV states that OCD will hold a hearing on March 5, 2026, should this case fail to be resolved prior to that date.

WHEREFORE, OCD requests that the NOV be docketed for hearing on March 5, 2026.

Respectfully submitted,
