Re: Case No. 4878 - Examiner's
docket December 19, 1972

Gentlemen:

We requested that the above case be placed on the docket for Harding Oil Company. Harding has now advised us that they have been successful in entering into a communitization agreement with the mineral owners having interests in the E $\frac{1}{2}$ SE $\frac{1}{4}$ Section 10, Township 17 South, Range 37 East upon which they are preparing to drill a well, thus eliminating the necessity for force pooling.

This is to advise that this case will be dismissed at the hearing on December 19.

Yours sincerely,

HINKLE, BONDURANT, COX & EATON
