Application of Michael P. Grace II

Case No. 5015

BEFORE: ELVIS A. UTZ,  
Examiner.

TRANSCRIPT OF HEARING

1 MR. UTZ: The hearing will come to order, please.  
2 We have some readvertised cases and a couple of dismissals,  
3 and I believe one continued case; so we will take all  
4 those first so you will know how the docket stands at  
5 end of these things.

6 The first case will be 5015.

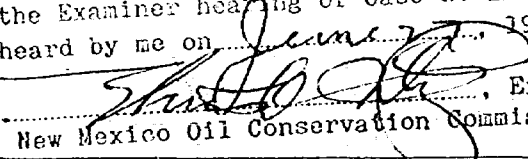

7 MR. CARR: Case 5015, Application of Michael P.  
8 Grace II and Corinne Grace for compulsory pooling, Eddy  
9 County, New Mexico.

10 MR. UTZ: This case was heard at a previous examiner  
11 hearing continued until today. It will be continued to  
12 7/11, and the advertisement will be changed to show  
13 640-acre spacing rather than 320-acre spacing. So,  
14 presumably, there will be a 60-acre pooling case; the  
15 reason for this being we rediscovered that the White City  
16 Penn gas pool had 640-acre spacing already approved. So  
17 the case will be continued to July 11.
