I hereby certify that this composite map was made from base maps printed by the United States Geological Survey having scales of 1:24,000 and 1:62,500. I further certify that this composite map was made by photographic reproducing methods to a scale of 1"=1000' as near as possible, and that the Section lines, gas wells, gathering lines and the road location in the SE 1/4 of Section 19 were added to this map by qualified personnel under my direct supervision.
