Gentlemen:

Enclosed herewith are original and two copies of Petition on behalf of the Amerada Petroleum Corporation for the pooling or unitization of the NW2SE2 of Section 32, Township 19 South, Range 37 East, N.M.P.M., within the Monument Pool.

Very truly yours,

JOS:CB Encls.

P. S. We would like to have this matter heard on July 15th, if a hearing is to be held at that time.

JOS

BEFORE THE

OIL CONSERVATION COMMISSION OF THE STATE OF NEW MEXICO

In the Matter of the Application of Amerada Petroleum Corporation for the Pooling or Unitization of the NW1SE1 of Section 32, Township 19 South, Range 37 East, N.M.P.M., within the Monument Pool.

No.

PETITION

Comes now the Amerada Petroleum Corporation, by its attorney, and states:

I.

That it is a corporation organized and existing under the laws of the State of Delaware and qualified to do business in the State of New Mexico.

II.

That it is the owner of an oil and gas lease covering 34 acres of the NW2SE2, Section 32, Township 19 South, Range 37 East, N.M.P.M. within the Monument Pool, in Lea County, New Mexico, said 34 acres covering all of said NW2SE2 of Section 32, except the 6 acres hereinafter described. Petitioner has a producing well on the land above described, said well being located in the center of said NW2SE2 of said Section 32, and said well, since November 1st, 1939, has received a full unit allocation on the proration schedule issued by this Commission.

III.

That this Petitioner is the owner in fee of the following described land within the said $NW_2^1SE_4^2$ of Section 32, said 6 acres being more particularly described as follows:

Six acres out of the Northeast corner of NWLSEL, Section 32, Township 19 South, Range 37 East, N.M.P.M., more particularly described as follows: Commencing at the Northeast corner of the NWL-SEL and running West three hundred and ten and three-quarters yards;
THENCE South ninety-three and one-half yards;
THENCE East three hundred and ten and three-quarter yards;
THENCE North ninety-three and one-half yards to corner at beginning, Lea County, New Mexico.

That no oil and gas lease covering the six acres above described has ever been issued and none is now outstanding, and there has been no share of the production from the 40-acre tract above described allocated to the 6-acre tract hereinabove described.

IV.

That Petitioner is entitled to recover its fair and equitable share of the crude petroleum oil and natural gas in the pool lying under the 6-acre tract hereinabove described, and that to avoid waste and wholly unjustified increase of the cost of production, and to avoid this Petitioner being deprived of the opportunity to recover its fair and equitable share of the crude petroleum oil and natural gas in the pool, it is necessary that the entire 40 acres included in said NW2SE2 of said Section 32, Township 19 South, Range 37 East, N.M.P.M., be pooled or produced as a unit through the well now on said 40-acre tract and through any well that may be drilled in the future as to any and all strata or producing zones underlying said land. Petitioner calls the Commission's attention to its Order No. 33, known as the "Monument Proration Order," prescribing the spacing of wells and allocation of production from the Monument Pool in which the area here involved is located.

v.

That the names and addresses of the owners of royalty interests in the 34 acres included in the lease held by this Petitioner are shown on Exhibit A, attached hereto and made a part hereof.

WHEREFORE, Petitioner prays that this Commission set this Petition down for hearing at some convenient date, and that after such

hearing, it issue its order requiring the pooling of all tracts within said NW2SE2 of Section 32, Township 19 South, Range 37 East, N.M.P.M., for the purpose of production of crude petroleum oil and natural gas; that this Petitioner be designated as the producer of said unit and said order be made effective as to all strata underlying said land, and that this Petitioner be ordered to make payments of royalty to all owners of royalty interests in the entire 40-acre tract in the same ratio as each owner's interest bears to the entire area of the 40-acre tract.

Respectfully submitted,

AMERADA PETROLEUM CORPORATION

By Its Attorney.
