Re: Case No. 3263
Docket No. 16-65

Gentlemen:

The above case is included on your examiner's hearing to be held June 9, being the application of Jake L. Hamon for the creation of a new pool and for special pool rules in connection with a Morrow gas discovery in the Hamon State E-8913 well No. 1 located in Sec. 20, T. 20 S., R. 36 E. After this application was filed, the parties to the working interest unit, of which Mr. Hamon is operator, determined to dedicate 320 acres to the well as provided by General Order R-2707 rather than ask for 640 acre spacing. A new application has been filed for that purpose which is to be included on the examiner's hearing docket for June 30. Due to this situation, it is respectfully requested that case No. 3263 be dismissed without prejudice.

Yours very truly,

HINKLE, BONDURANT & CHRISTY
