Re: NMCD Case No. 6940
Adobe Oil Company

Dear Joe:

Our firm represents Adobe Oil Company.

The above referenced case was originally scheduled for July 23, 1980, and is now set for hearing on August 20, 1980.

After filing the application but prior to July 23, 1980, we discovered that the federal lease involved for certain of the non-consenting parties had expired.

We have attempted since that time to have the BLM place the acreage up for lease again.

We would appreciate you resetting this case for the first hearing in October to allow us additional time to see if the unleased acreage can be leased prior to hearing.

Very truly yours,

W. Thomas Kellahin
