Ashley,

Thank you very much for your help. My name is Nick White and have served as the Sr. Engineering Analyst for Steward Energy II, LLC. Steward successfully completed the sale of all Assets to Burk Royalty CO, LTD, and I authorize the transfer of these Facilities to Burk. I have had the pleasure of being able to join the Burk team during this transition, and we have successfully completed the transfer of all of the wells, so these facilities should be the last step. Please see my comments to the requested items below in **red**, and please let me know if you need any more information.

- OGRID of the Operator currently listed on the facility - **371682**
- OGRID of the Operator the facility is being transferred to - **3053**
- Facility ID – **please see column “A” of the attached spreadsheet**
- Update to the Facility name, if any – **n/a**
- ULSTR for the Facilities – **please see column “K” of the attached spreadsheet**
- Lat/long of the Facilities to at least 6 decimal degrees – **Please see columns “L” & “M” of the attached spreadsheet.**

Thanks,

**Nick White**

Some people who received this message don't often get email from [ashley.maxwell@emnrn.dnm.gov](mailto:ashley.maxwell@emnrn.dnm.gov). [Learn why this is important](#)

Good Morning Mr. Wilson,

I can assist with the transferring of facilities. Please provide the following information:

- OGRID of the Operator currently listed on the facility
- OGRID of the Operator the facility is being transferred to
- Facility ID
- Update to the Facility name, if any
- ULSTR for the Facilities
- Lat/long of the Facilities to at least 6 decimal degrees

If Burk Royalty Company is transferring these facilities to Steward Energy, we will need confirmation of the transfer from Steward Energy.

Let me know if you have any questions.

Thanks,  
Ashley
