Mr. Martin,

Sorry for the delay in replying, I am enclosing the note I sent you previously with a copy of a pressure test on the casing for the well in question this test was run in march of this years

I am working on getting all the info we talked about when we visited at the OXY office.

Al.

HERE IS A COPY OF THE MIT WE RUN , I HIGHLIGHTED THE CURVE IN ONE COPY AND GAVE ALSO THE ORIGINAL

Thank you for all your help with the well list and this particular well.

Al.
