DPHILLIPS	I am rejecting this because additional bonding is required. I was told by Pam with Leavell Insurance that one of the wells is back online and you are contacting Artesia. Once you submit all the paperwork and they approve it, go ahead and resubmit the permit and the well should no longer appear requiring additional bonding. I cannot approve a change of operator unless all the required bonding is in. Questions? Call me at (505) 476-3461.	9/11/2009
DPHILLIPS	Jerry sending it back as we discussed because the well 30-015-01904 is still showing up Once you speak with Artesia, then resubmit and it should come off. Thanks	10/27/2009
DPHILLIPS	Jenny, the well is showing up. We will wait until tomorrow to see if it comes off. So I am rejecting this again and you can resubmit. I have contacted Jane Prouty to see if there might be another problem because Louise says this well is producing. Please resubmit in the morning to see if comes off. Thanks	10/28/2009
DPHILLIPS	I am rejecting per Louise Montague's instruction from Artesia. Please contact her at 575-748-1283 Ext 100. She says well requires bonding. Thanks	11/2/2009
