As the operator of record of wells in New Mexico, CHEVRON U.S.A. INC agrees to the following statements:

- I am responsible for ensuring that the wells and related facilities comply with applicable statutes and rules, and am responsible for all regulatory filings with the OCD. I have familiarized myself with all applicable statutes and rules, not just the rules referenced in this list. I regulatory filings with the OCD in have familiarized myself with all applicable statutes and rules, not just the rules referenced in this list. I understand that the OCD in have familiarized myself with all applicable statutes and rules, not just the rules (20.6.2-20.6.7 NMAC) are understand that the OCD in have described to a compliance order addressing inactive wells or wells, see 19.15.9.9(8) NMAC. I understand that if I ecquire wells or facilities subject to a compliance order addressing inactive wells or wells, see 19.15.9.9(8) NMAC. I understand that if I ecquire wells or facilities subject to a compliance order addressing inactive wells or environmental cleanup. Nefore the OCD will approve the operator change it may require me to enter into an enforceable agreement to environmental cleanup. Nefore the OCD will approve the operator change it may require me to enter into an enforceable agreement to
- environmental cleanup, before the OCD will approve the operator change it may require me to enter into an enforceable agreement to
- return those wells to compliance. See 19.15.9.9(C)(2) NMAC.

  I must file a monthly C-115 report showing production for each non-plugged well completion for which the OCD has approved an allowable and authorization to transport, and injection for each injection well. See 19.15.7.24 NMAC. I understand that the OCD may allowable and authorization to transport, and injection for each injection well. See 19.15.7.24 NMAC. I understand the wells I operate if I fail to file C-116 reports. See 19.15.7.24(C) NMAC. I UNDERSTAND THAT New Mexico requires wells that have been inactive for certain time periods to be plugged or placed on approved temporary abandonment. See 19.15.25.8 NMAC. I understand the requirements for plugging and approved temporary abandonment. See 19.15.25.8 NMAC. I understand that I can check my compliance with the basic requirements of 19.15.25.8 NMAC by using the "Inactive Vell List" on OCD's website.
- Very List on OLD a weusite.

  5. I must keep current with financial assurances for well plugging. I understand that New Mexico requires each state or fee well that has been leading for more than two upons and has a single or fee well that has been leading for more than two upons and has a single or fee. I must keep current with financial assurances for well plugging, I understand that New Mexico requires each state or fee well that has been inactive for more than two years and has not been plugged and released to be covered by a single-well financial assurance for bean plugged and released to be covered by a single-well financial assurance for wells in temporarily abandoned status, even if the well is also covered by a blanket financial assurance for wells in temporary abandonment status. See 19.15.8.9(C) NMAC. I understand that I can check my assurance with the single-well financial assurance requirement by using the "Inactive Well Additional Financial Assurance Report" on the
- OCD's website.

  6. I am responsible for reporting releases as defined by 19.15.29 NMAC. I understand the OCD will look to me as the operator of record to take corrective action for releases at my wells and related facilities, including releases that occurred before I became operator of record. I have read 19.15.5.9 NMAC, commany known as "Rule 6.9" and understand that to be in compliance with its requirements. I must have the appropriate financial assurances in place, comply with orders requiring corrective action, pay penalties assessed by the courts or the appropriate financial assurances in place, comply with orders requiring corrective action, pay penalties assessed by the courts or the appropriate financial assurances in place, comply with orders requiring corrective action, pay penalties until rule (19.15.25.8). the appropriate financial assurances in place, comply with orders requiring corractive action, pay penalties assessed by the courts or agreed to by me in a settlement agreement, and not have too many wells out of compliance with the inactive well rule (19.15.25.8 NMAC). If I am in violation of 19.15.5.9 NMAC, I may not be allowed to drill, acquire or produce any additional wells, and will not be able to obtain any new injection permits. See 19.15.16.19 NMAC, 19.15.26.8 NMAC, 19.15.9.9 NMAC and 19.15.14.10 NMAC. If I am in violation of 19.15.5.9 NMAC the OCD may, after notice and hearing, revoke my existing injection permits. See 19.15.26.8 NMAC. I set in compliance with 19.15.26 NMAC. I acknowledge that I have read and agree to operate my wells in compliance with 19.15.26 NMAC. I acknowledge that I have read and agree to operate my wells in compliance with 19.15.26 NMAC. I acknowledge that I have read and agree to operate my wells in compliance with 19.15.26 NMAC. I acknowledge that I have read and agree to the terms of my injection permit. I understand that I must report injection wells at least once or my monthly C-115 report. I understand that I must conduct mechanical intentity tests on my injection wells at least once
- acknowledge that I have read and agree to the terms of my injection permit, I understand that I must report ejection wells at least once pressure on my monthly C-115 report. I understand that I must conduct mechanical integrity tests on my injection wells at least once pressure on my monthly C-115 report. I understand that I must conduct mechanical integrity tests on my injection wells at least once pressure on my monthly C-115 report. I understand that when there is a continuous one-year period of non-injection into all wells in an every five years. See 19.15.26.11 NMAC.
