Hello Bob, that riser is part of IACX Roswell's active system and needs to remain. Please let me know if you need any more information.

Thank you

Mike,

There is an above ground riser west of the lease road at the Dallas AUE State #3, has IACX been notified if the riser is to be removed or remain in place and active. If it is to remain active, I will need an email from IACX stating that for the NMOCD.

Thank you,

Robert Asher
