Re: Walnut Canyon State Com 1 Well

Ladies and Gentlemen:

Enterprise Field Services, LLC (“EFS”) maintains a pipeline and related facilities in Eddy County, New Mexico pursuant to a Grant of Right-of-Way from the State of New Mexico to EFS recorded in Volume 646, Page 1019 of the Official Records of Eddy County, New Mexico, sometimes referred to as RW-29909 (the “Right of Way”).

Cimarex Energy has plugged and abandoned its Walnut Canyon State Com1 Well (the “Cimarex Well”) in Eddy County. The Cimarex Well previously delivered gas to EFS through a riser connected to the EFS pipeline in the Right of Way. The EFS riser is located near the edge of the pad site for the plugged and abandoned Cimarex Well. Although EFS does not anticipate gathering additional gas from the Cimarex Well, EFS has left the riser in place because EFS anticipates continuing to use the riser in the future for gathering gas from other wells, and pipeline maintenance.

If you have any questions or if you need any additional information, please contact me by phone at 713/381-7819 or by email at [DLWedelich@eprod.com](mailto:DLWedelich@eprod.com). Thank you.

Sincerely,

Dustin L. Wedelich
