13. Describe Proposed or Completed Operation: Clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports must be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 must be filed once testing has been completed. Final Abandonment Notices must be filed only after all requirements, including reclamation, have been completed and the operator has determined that the site is ready for final inspection.

As discussed with Mr. Joe Killins, Petroleum Engineer at the BLM Farmington, NM this afternoon, Pride Energy Company requests for this well to be approved by the BLM as a Temporary Abandoned well so that possible re-compleat may be performed in the future, when more favorable oil prices exist, as well as additional frac potential.

14. I hereby certify that the foregoing is true and correct.
