--	---

13. Describe proposed or completed operations. (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work). SEE RULE 19.15.7.14 NMAC. For Multiple Completions: Attach wellbore diagram of proposed completion or recompletion.

MIT test performed on the subject well on 8/30/2022. PT to 580# for 30min, test good. Witnessed by Thomas Vermersch/NMOCD. Please see attached chart. Hilcorp requests OCD's permission to extend the Temporarily abandoned status. The Allison 1 sits in an active Fruitland Coal and Pictured Cliffs development area that is currently being studied for future potential. In addition, the Allison 1 is equipped with large bore casing giving it extra utility to serve any projects that support that development.

****Please change the well status from Miscellaneous to Gas****
