Notice of Intent

Sundry ID: 2699078

Type of Submission: Notice of Intent

Date Sundry Submitted: 10/21/2022

Date proposed operation will begin: 10/21/2022

Type of Action: APD Extension

Time Sundry Submitted: 09:18

Procedure Description: Tap Rock requests to extend the referenced APDs 2 additional years beyond the primary 2-year term. 1. The well pad is currently constructed. 2. Market volatility and decline lead to decrease in activity for an extended time. Covid pandemic and other variables have led to shortage of a qualified labor market further delaying projects in the interest of safety. 3. With the uncertainty of labor market due to Covid and other variables, market prices and development schedule, there are no guarantees regarding timing. Giving an estimate would be in bad faith.
