**Location:** SWNW Sec 6 T24N R5W (Rio Arriba County, NM)

The request to extend the temporary abandonment (TA) is approved with the following conditions:

1. No well shall be TA without prior approval from the authorized officer or representative.
2. This approval is granted for a 12-month period until November 2, 2024. This well has been Temporarily Abandoned for over 10 years and has an approved Notice of Intent – Plug and Abandonment (Sundry ID# 2684541). Before this approval expires one of the following shall be submitted:

3. This agency reserves the right to modify or rescind approval. A plug or produce order may still be issued at the discretion of the authorized officer.
4. The lease is currently held by production from other wells. Should production from the lease cease, the BLM may require this well be returned to production or P&A, regardless of the amount of time the TA status is still approved for.
