Dugan is not approved to bullhead from surface to 1650 feet – is there a casing test.

Tubing must be used.

Thank you

API: 30-045-26803 Phillips Com # 1

TOC from the CBL appear to be at 50' from surface. No changes to the original approved P & A plan & NOI is requested. Will fill up casing from surface.

Please let us know if there are any changes that need to be made, and we will proceed accordingly.
