Gentlemen:

The Antebellum Unit, No. NM-68288X / Participating Area (PA) NM-68288A, Lea County, New Mexico, is terminated effective October 9, 2012, pursuant to 43 CFR 3186.1.11 and Section 11 of the Unit Agreement which state the following:

“No land shall be excluded from a participating area on account of depletion of its unitized substances, except that any participating area established under the provisions of this unit agreement shall terminate automatically whenever all completions in the formation on which the participating area is based are abandoned.”

Thus, since the Antebellum Unit #1 well (3002524523) has been plugged back to the Delaware formation (October 9, 2012) pursuant to documents filed December 11, 2012, the Morrow PA NM-68288A automatically terminated October 9, 2012. As a result of the termination of the only PA within the unit, the unit also terminates.

Pursuant to 43 CFR 3183.4(b), Public Interest requirement has been fulfilled, and the following leases NMNM0556297 and NMNM17446A are entitled to a two year extension pursuant to 43 CFR 3107.3-2 and 3107.4. This two year extension will expire October 9, 2014.

Copies of this letter are being distributed to the appropriate Federal agencies. It is requested that you furnish notice of this termination to each working interest owner, lessee and lessor.

If you have any questions regarding this termination, please contact Wesley W. Ingram, Petroleum Engineer at (575) 234-5982.

A person contesting a decision shall request a State Director review. This request must be filed within 20 working days of receipt of the Notice with the appropriate State Director (see 43 CFR 3165.3). The State Director review decision may be appealed to the Interior Board of Land Appeals, 801 North Quincy Street, Suite 300, Arlington, VA 22203 (see 43 CFR 3165.4). Dear Mr. Becker

The Bureau of Land Management by their letter of January 17, 2013 has advised this office that the Morrow participating area for the Antebellum Unit Well No. 1 was automatically terminated October 9, 2012. As a result of the termination of the only participating area within the unit, the Antebellum Unit Agreement, was also terminated effective October 9, 2012.

Pursuant to Article 20 of the unit agreement, the Commissioner of Public Lands concurs with the Bureau of Land Management's decision to terminate the Antebellum Unit Agreement effective October 9, 2012.

Please advise all interested parties of this action.

If you have any questions, or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,
