Dear Ms. Ward:

The Bureau of Land Management has notified this office that XTO Energy, Inc. has been designated as the successor unit operator of the Arrowhead Grayburg Unit, Lea County, New Mexico. Our records reflect that Chevron U S A Inc. is still the operator of record for this unit. Since a change of operator has not been approved by this office, XTO Energy, Inc. is operating the Arrowhead Grayburg Unit without authority.

In view of the above, please submit within (30) days, a resignation from Chevron U S A Inc. and the designation of XTO Energy, Inc. as successor unit operator to this office for approval. XTO Energy, Inc. must also accept the duties and responsibilities as the successor unit operator in writing.

If you have any questions or if we may be of further help, please contact Pete Martinez at (505) 827-5791.

Very truly yours,
