Subject: Well Names In Bernalillo County

Ed,

Thank you for informing us of the NMOCD's systems issue with our current well naming convention in Bernalillo County. To document our previously agreed to solution, Tecton Energy proposes the following revised well naming convention:

API# 30-001-20014

PROP.
303019

From: Westland Development Corp Barbara Page Well# 20-1
Barbara Page Well # 201

To: Westland Development Corp

API# 30-001-20015

303019

From: Westland Development Corp Barbara Page Well# 28-1
Barbara Page Well# 281

To: Westland Development Corp

API# 30-001-20007

21103

From: Westland Development Corp Barbara Page Well # 21-1
Barbara Page Well # 211

To: Westland Development Corp

Please make these changes in the NMOCD system.

Thank you for your assistance and understanding in this matter.

Chris Christensen
