Attention: Roy Johnson
New Mexico Oil Conservation Division
1220 St. Francis
Santa Fe, New Mexico 87504

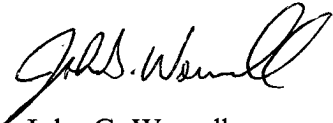

Dear Mr. Johnson:

Please find enclosed five copies of five permits for Pacific Land West Minerals Company. For each permit we enclosed the following:

C-101
C-102
Topographic map with well site
Equipment List
BOP Exhibit

Should these permits meet with your approval please send the approval copy to my address above. I will send a copy to the operator and a copy to operator's field supervisor, Don Riggs, for posting in the rig dog house. Thank you.

Sincerely,

John G. Worrall
Agent for Pacific Land West
