Subject: OXY APD's Approval Suspension

The New Mexico Oil Conservation Division (NMOCD) hereby suspends its approval of the applications to drill (NMOCD Form C-101) for the following wells:

- (1) BDCDGU 1830 No. 132 (API # 30-021-20463) Unit K, Section 13, T-18N, R-30E
- (2) BDCDGU 1831 No. 182 (API # 30-021-20459 Unit F, Section 18, T-18N, R-31E
- (3) BDCDGU 1831 No. 071 (API # 30-021-20455 Unit F, Section 7, T-18N, R-31E
- (4) BDCDGU 1831 No. 052 (API#30-021-20456) Unit G, Section 5, T-18N, R-31E

Approval to drill these wells is contingent upon OXY submitting amended C-102's "Well Location and Acreage Dedication Plat" showing the correct spacing of 640 acres. Upon receipt of the amended C-102's, the NMOCD will assume that all proper notifications have been made to all other working interest owners in the effected sections.

Please contact me if you have any questions.

Ed Martin
