WELL FILE
30-021-20414

Ed,
This is a Federal well that has been permitted to drill, but has yet to be drilled. The BLM permit was extended once and I believe it now expires in Nov or Dec 2011. The well is staked, but no location has been built.
Danny

Subject: Status

Morning Danny.

Please let me know the status of this well. Or, refresh my memory if we have discussed previously.
